HDPE Enclosures

Vaults

OVERVIEW

High-Density Polyethylene (HDPE) enclosures deliver reliable, chemical and water resistant performance and install with ease. The Carson brand from OldCastle supplied by Connect offers a wide variety of sizes perfect for FTTx projects. The flared « bell-shaped » design of certain models maximizes internal volume for cable, conduit and closure storage with a smaller surface footprint.

FEATURES AND BENEFITS

- Lightweight Design
- Consistent performance
- Easily modifiable
- Variety of sizes and cover styles
- Custom engraving with company name or logo on demand
- Optional accessories can be pre-installed

SPECIFICATIONS

Property	Value
Material	HDPE
Wall Type	Straight and flared
Performance	Light Duty / Pedestrian
Rating	Greenbelt
